- 6 (six) months free repair & maintenance of technical problems. after handing over the project to the apartment owners association; and
- Supervision of complex and repair / rectification of technical defects or construction-defects by an engineer for 6 (six) months after handing over the project to the apartments owners association.

Terms & Conditions

Reservation

Application for reservation of apartment shall be made on the prescribed form duly signed by the applicant with the Down Payment. The company has the right to accept or reject any application

Allotment

After receipt of the Application Form and Down Payment the CDL will issue an Allotment Letter and Payment Schedule. Allotment is made generally on 'first come first serve basis'. Preference however may be given to clients paying the full / significant amount in one installment

Allotment Transfer :

Until full payment of all installments are made and possession obtained, the buyer shall not transfer and/or sell the unit allotted to him/her to a third party.

Criteria's Right :

The company has the right to accept any application for allotment. It also reserves the right to make changes in both architectural and structural design of the project. Limited change can be made in specification for overall interest of the project

Mode of Payment :

All payments shall be made by Crossed Cheque, Bank Draft or Pay Order favoring Criterion Developers Ltd (CDL), against which receipt will be issued. The company will not take responsibility for any cash payment made without proper receipt from accounts section. Foreigners and Non-resident Bangladeshis may pay in Foreign Currency through Bank. Conversion into Taka will be done at prevailing Bangladesh Bank Exchange rate

Schedule of Payment :

The buyer must strictly adhere to the installment schedule to ensure timely completion of the construction work. Delay in payments beyond the due date will make the allottee liable to pay a charge of 4% per month on the amount of payment delayed.

Cancellation of Allotment :

In case of surrender/cancellation of allotment by the purchaser or non-payment of installment beyond 2 (two) months of the end of the grace period, the Company shall have the right to cancel the allotment. In such event, the amount deposited with the Company will be refund after deducting 4% of the total agreed value only after resale of the apartment in question.

Transfer of Ownership :

Proportionate share of undivided & undemarcated land will be registered in favor of each buyer as per current rules & regulations of the Government.

Transfer Cost :

All costs related to transfer of ownership like stamp duty, registration cost, Govt. Tax, VAT, Documentation charges, Sales permission charges, Incidental expenses will be borne by the buyer on actual basis before registration.

Completion of The Project:

If the completion period of the project is affected by unavoidable circumstances like natural calamity, political disturbances, strikes, civil commotion, non-availability of materials, non-payments of installment on time by the buyers and any other forced majeure, then the buyer will not be entitled to claim any kind of compensation.

Documentation Charges and Govt Taxes :

The buyer shall bear all costs relating to the transfer, registration, VAT Gain-Tax, etc.

Utility Connection & Incidental Costs:

Connection fees, security deposit and incidental expenses/charges relating gas, water sewerage, power connections are not included in the price of the apartment. All the expenses incurred by the Company on these accounts shall be reimbursed by the buyers to the Company proportionate to their shares.

Company's Right :

The Company may make minor changes in the specifications and may make changes in design and/or layout of the Apartment/Project, if these become necessary

Hand Over :

The possession of each apartment and parking space shall be duly handed over to the allottee on completion and on full payment of installments and other charges and dues. Prior to this, possession of the apartment will remain with the Company.

Owner's Welfare Society :

The buyer should be a member of the Owner's Welfare Society, which will be formed by the owners of the apartments after the handover with a view to maintain the general affairs and security of the complex for common interest. Each apartment owner must initially deposit a sum of TK= 50,000/- to the reserve fund before taking possession of the apartment.

Note :

Until full payment is made and possession obtained, the buyer shall not carry out any extra work/modification within the apartment complex on their own. Until full payment is made and possession obtained, the buyer shall not mortgage the Property with Bank/Building Societies.
